Zoom Protocols:

- All students will be let into the session via the waiting room
- Appropriate school behavior is expected during all sessions
- We cannot require the camera to be on, but for attendance purposes please make sure to find a way to identify yourself to your teacher (with audio, or a quick video, or typing name in the chat)
- Use chat only when directed by the teacher in a school appropriate manner
- Parent participation in Zoom classes should be with teacher permission and should not be disruptive to the learning of other students.
- Ensure that your child's workspace is free from disruption and be aware that others can see and hear what is in the background
- Arrive on time to your session and participate in activities directed by the teacher
- Screenshots, screen recording, or recasting of Zoom lessons is a violation of the acceptable use of technology policy and is prohibited.
