

Preschool Long Term Home-School Connection Activities

Day of the Week	Literacy	Math	Science	Social Science/ History	Physical Health	Personal/Social Development
Minutes per day	20 minutes	10-15 mins	10-15 mins	10-15 mins	30 mins or more	Throughout the day
Monday	Think of 5 words that begin with the letter P and F Read a book	Count spoons and forks. Which has the most? What group has the least?	Put 1 ice cube in a bowl and another ice cube in a bowl with salt sprinkled on it. Observe how quickly each melts. Which one melted quicker?	Parents share a story about when you were a child.	Dance party with your family.	Set the table. Eat as a family and share best part of the day with each other.
Tuesday	Write your name and your Mom and Dad's names	Go on a shape hunt. Count how many rectangles you find.	Look outside and observe how the trees are changing.	Help prepare a snack or breakfast. What steps are involved?	Youtube Learning Station songs. Boom Chicka Boom is always a favorite.	Teach your family how to do heart breathing. Be sure to count as you take each breath.
Wednesday	Think of 5 words that start with the letter S and M Read a book.	Count out loud from 0-20.	Look around the house and find a magnet. Hint: look on refrigerator. Explore what else in your house is magnetic.	Draw a picture of how you can be helpful.	Youtube GoNoodle Songs (Never Eat Soggy Waffles is a favorite).	Eat as a family and practice manners.

Preschool Long Term Home-School Connection Activities

Thursday	Try to sound out and write the following words. Cat, hat, rat, sat, pat, bat	Count back from 10.	Draw the life cycle of a chicken. Egg, hatch, chick, chicken	Help with dinner. Ask the chef about ingredients being used.	Family Dance Party	Make a card for a friend in class and have mom take a picture and send to me and I'll Dojo it to them.
Friday	Think of 5 words that begin with J and C	Ask mom for pennies to practice counting.	Draw a picture of a chick and give him/her a name.	Tell who is on the penny? (Abraham Lincoln) How much is a penny worth?	Go Noodle	Set the table and count how many plates, forks, and napkins there are in all.

The times listed are minimum times. Activities can go on as long as the student is interested.
