Zoom Protocols:

- All students will be let into the session via the waiting room
- Appropriate school behavior is expected during all sessions
- We cannot require the camera to be on, but for attendance purposes please make sure to find a way to identify yourself to your teacher (with audio, or quick video, or typing name in the chat). I would love to be able to see your face!
- Use chat only when directed by teacher in a school appropriate manner
- Parent participation in Zoom classes should be with teacher permission and should not be disruptive to the learning of other students.
- Sibling participation in Zoom classes should also be limited because it can possibly be disruptive to the learning of other students.
- Ensure that your child's workspace is free from

disruption and be aware that others can see and hear what is in the background

- Ensure that your child is in a quiet spot. They should not be moving from that spot, taking the device with them, etc. during the Zoom meeting.
- Arrive on time to your session and participate in activities directed by the teacher
- Screenshots, screen recording, or recasting of Zoom lessons is a violation of the acceptable use of technology policy and is prohibited.
